Dear Friends of the Center,

Please accept our most heartfelt gratitude for your generous gift of 94 pounds of nonperishable food made to the Dr. Martin Luther King, Jr. Community Center's **Feed a Friend** food pantry. Your donation was received on December 09, 2019.

Because of your generous support, our **Hunger Relief Services** make a difference in the lives of Newport County's food insecure residents. In 2018, our *Feed-a-Friend* food pantry provided 255,234 meals—the highest volume food pantry in the county. *Food 2 Friends* delivered food, household, and personal care items to 145 homebound clients in 2018. The *Breakfast Program*—Newport County's only daily meal site—served nearly 10,000 meals last year. Our *Registered Dietitian* helps pantry clients make informed, healthy dietary choices, teaches nutrition to children in our education programs and cooking/wellness classes to adults, and offers one-on-one nutrition counseling, regardless of a client's ability to pay. Our 2018 *Holiday Basket* program supplied meal baskets to 463 families at Thanksgiving and 479 families at Christmas.

We thank you for your awareness, community spirit, and willingness to support the Center's mission to help our Newport County neighbors move from hunger to health.

Sincerely,

Alyson Novick  
Director of Development
